

Easter Fun Fold Triangle Card Tutorial

Measurements

- 8-1/2" x 11" cardstock, scored at 5-1/2" on the long side and 4-1/4" on the short side, then cut on the diagonal
- Cut a 4" x 5-1/4" Designer Series Paper (DSP) on the diagonal or watch the video to see how I cut my DSP to get more of the Magenta Madness color in both pieces and not waste paper.
- White inside piece 4" x 5-1/4".
- Scraps for the tag, 2 daisies, sprigs and word art.

Instructions

- Score and cut cardstock for base
- Adhere the DSP triangles to the card base flaps
- Create the center piece
 - Cut out large label, word art, daisies and sprigs
 - Adhere the words first then the daisies and sprigs
- Add bling
- Don't forget the inside and envelope
